Weekly Requirements

Host a weekly livestream:

As a student ambassador, you will help others understand the value of TAMMIRA and the impact it is creating. To do so, we want you to regularly engage with our platform as well as use the opportunity to share topics and skills you are passionate about. Look out for our monthly newsletter for topics to center your content on!

Spread the TAMMIRA message:

We will be creating and sending out social media content for you to post on your social media. It is required that you post TAMMIRA content at least one time a week on any social platform. These could include Instagram, Facebook, and/or TikTok. You can use TAMMIRA templates/content or feel free to create one of your own.

Attend Monthly Ambassador Meeting:

At TAMMIRA we prioritize collaboration. To ensure TAMMIRA Ambassadors are getting the most out of the program, we invite you to attend our monthly meetings. Attendance will include key leadership members of TAMMIRA, student interns, and all of our current Ambassadors. These meetings are opportunities to brainstorm together, hear about exciting new updates, and find ways to improve the Ambassador experience.
